Urgent – Voluntary recall Notice of #13946 Aelo Peach Bellini (can) 6/4x355ml

Date: 2025-03-12

Dear Valued Customers

ACTION REQUIRED

Please discontinue the distribution, sale, or use of the food immediately. Remove the food from stock or display, count the quantity still under your control, and ensure that the food will no longer be distributed, sold, or used. Store all recalled products in a secure, segregated place and mark them as "recalled."

We will credit you for the recalled product. Please mark the food as "recalled," and we will call you to arrange to pick it up.

Reason for Recall:

Please be advised that a voluntary recall has been initiated by Liquid Intelligence Ltd. The product listed below is being voluntarily recalled due to routine quality assurance checks identifying that two batches of Peach Bellini were exposed to the wrong temperature for the product specifications. We request that you remove the products from shelves and return them to PSC.

Please acknowledge receipt by signing and sending this document via fax or email to Yejin Kim (PSC Natural Foods) at recall@pscnaturalfoods.com or 250-386-1413.

To date, there have been no confirmed reports of illness linked to the recalled products. Please fill out and return this form to PSC. A credit will be issued. (Note: Credit will only be issued for products purchased from PSC and only for the remaining product.)
